

# A PLACE TO REST THESE WEARY BONES

## Let's sit a spell, and have a chat.

As humans, we may speak different languages, eat different foods, and worship different gods, but everyone of us from time to time needs to sit and rest our weary bones.

We don't give much thought to sitting, but it surely has importance in all our lives. We sit on and upon, sit in, sit pretty, sit on our hands, sit tight, and sit up. The king sits upon the throne; the authority sits in judgment; the protesters have a sit-in; and we sit for a portrait. Even the hen sits on her eggs.

With over a billion people in China, it's no wonder there was a chair around every corner.
